Relevant Coursework: Programming Languages, Database Management Systems, Data Structures and Algorithms, Software Engineering, Web Development, Networkin

Senior secondary education: Arya sen. sec. school HBSE 80 percent 2020

Secondary education: Arya sen. sec. school HBSE 75 percent 2018

SKILLS

Technical Skills	Programming Languages: Java, C/C++,JavaScript,
Soft Skills	Communication, Problem-solving, Teamwork,Time management,Typing speed 50wpm
Developer and AI Tools	Github, VS code, Chatgpt, Editors, Wordpress

PROJECTS

Netflix-Clone Created a fully responsive Netflix clone using HTML and CSS, effectively replicating the user interface and functionality of the popular streaming platform. This project showcases my proficiency in front-end development and attention to detail. The layout includes a visually appealing homepage with a navigation menu, featured content sections, and category displays, all designed to enhance user engagement. Employed modern design principles to ensure a seamless user experience across different devices. This project not only demonstrates my technical skills in web development but also highlights my ability to innovate and think creatively in solving design challenges. Through this clone, I gained valuable insights into user interface design and responsive web design practices. ([Try it here](#))

CERTIFICATIONS

- **National Cadet Corps (NCC):** Honed leadership, teamwork, and discipline through rigorous training and service to the community, fostering a sense of duty and commitment to excellence
